34806 votes

«A Better Camera» is a camera application, able to take snapshots of high quality thanks to optimally chosen functions used by such notable camera-makers as Canon, Nikon, Sony, etc.

There are also the following important functions in «A Better Camera»:

- \* HDR: bright colors and rich detail, the pictures look like a professional camera shot
- \* Panorama: up to 360 degrees to 100 MPix
- \* Multishot: Group portrait, Sequence shot, Removing unwanted objects with one click
- \* Night mode
- \* Video recording + time lapse
- \* Pre-shot: pictures are taken before pressing
- \* Burst and Expo-bracketing
- \* Timer
- \* Different kinds of focusing
- \* ISO option
- \* White-balance.

To unlock full version run the app, hit "Play Store" icon choose "promo code" and enter "appoftheday"
